

St. George Ukrainian Church

****New RaiseRight Gift Card Program****

Help Support St. George Church!

St. George Church is offering parishioners and their families an opportunity to support our church by buying gift cards through RaiseRight. The RaiseRight Gift Card program is an easy way to support St. George's **with the money you will already be spending on gift cards**. We participate in the RaiseRight program by Great Lakes Scrip Center (GLSC) which provides churches, schools and other charitable organizations the ability to earn a percentage of the face value of gift cards purchased through the program. **There are over 750 gift cards from which to choose.**

Who can participate in this Program?

- All St. George Parishioners, their families and their friends.

What are the advantages to St. George Church?

- St. George will earn a percentage on each gift card sold. This can range from 1% to 22% of the cost of the gift card. Ex.: A parishioner buys three (3) Giant Eagle gift cards for \$100 each. The percentage earned on each of these cards is 7% so St. George would receive \$21 – \$7 for each \$100 gift card purchased. This is a small amount but can add up if we get enough participants.
- With many of the gift cards purchased, there are online bonuses available which means a greater percentage comes to St. George.
- Every week there are “high value/extra incentive” gift cards offered by RaiseRight.

How much does it cost?

- There are no upfront or monthly costs to St. George Church.
- Users pay a .29 fee per transaction for E-gift cards whether you buy one or a bundle of gift cards. The E-gift cards you buy appear in your online RaiseRight wallet.
- You can also purchase gift cards using a debit card for a 1% fee or a credit card for a 3% fee.
- Users are charged a slight shipping fee if they want to have physical gift cards mailed to their home.
